Immunization Physical Examination, Vision Screening/Eye Examination and Dental Screening

Immunization

Proof of immunization must be presented at the time of initial enrollment ^a in school or within 30 days of transfer to the district. Proof consists of a signed Certificate of Immunization Status form documenting either evidence of immunization, a religious, philosophical beliefs and/or medical exemption or immunity documentation.^b

Physical Examination

The Board recommends that all students initially enrolling in school have a physical examination. Parents will be asked to complete a district Health History form when initially enrolling their students in the district and when registering them for grade 7.

Students in grades 6 through 12 are to have physical examinations performed prior to participation in extracurricular sports. "Participation," as used in this policy means participation in sports practices and interscholastic sports competition. The physical examination must be conducted by a physician possessing an unrestricted license to practice medicine, a licensed naturopathic physician, a licensed physician assistant, a certified nurse practitioner or a licensed chiropractic physician who has clinical training and experience in detecting cardiopulmonary diseases and defects. The examination should be performed no earlier than May 1 of the preceding school year.

Students are required to submit to the district a School Sports Pre-Participation Examination^c form prior to their initial participation in a district athletic program. This form is to be completed and signed by a parent or guardian and physician, giving clearance and permission for the student to participate and authorizing emergency medical treatment and/or transportation to a medical facility, as necessary.

A student who is subsequently diagnosed with a significant illness or has had a major surgery is required to have an additional physical examination prior to further participation in extracurricular sports.

A student who continues to participate in extracurricular sports in grades 6 through 12 shall be required to complete a physical examination once every two years, thereafter.

Vision Screening or Eye Examination

The parents or guardian of a student who is 7 years of age or younger and is beginning an education program with the district for the first time shall, within 120 days of beginning the education program,

^aThe district shall immediately enroll a homeless student in the school selected even if the student is unable to produce records normally required for enrollment.

^b Documentation requirements for exemptions are outlined in ORS 433.267.

^c Form available at <http://www.osaa.org>

submit a certification that the student has received:

1. A vision screening or eye examination; and
2. Any further examination, treatments or assistance necessary.

The certification is not required if the parent or guardian provides a statement to the district that:

3. The student submitted a certification to a prior education provider; or
4. The vision screening or eye examination is contrary to the religious beliefs of the student or the parents or guardian of the student.

Dental Screening

The district shall file in the student's dental health record any dental screening certifications and any results of a dental screening known by the district. The district will provide to the parent or guardian of each student, standardized information developed by the Oregon Health Authority's dental director regarding dental screenings, further examinations or necessary treatments and preventative care including fluoride varnish, sealants and daily brushing and flossing.

The parent or guardian of a student who is 7 years of age or younger, and is beginning an education program with the district for the first time, shall submit a certification within 120 days of beginning the education program, that the student has received a dental screening within the previous 12 months.

The certification is not required if the parent or guardian provides a statement to the district that:

1. The student submitted a certification to a prior education provider;
2. The dental screening is contrary to the religious beliefs of the student or the parent or guardian of the student; or
3. The dental screening is a burden for the student or the parent or guardian of the student in the following ways:
 - a. The cost of obtaining the dental screening is too high;
 - b. The student does not have access to an approved screener;
 - c. The student was unable to obtain an appointment with an approved screener.

The certification may be provided by a licensed dentist, a dental hygienist or a health care practitioner as defined by state law. The certification must include the:

1. Student's name;
2. Date of screening; and
3. Name of entity conducting the dental screening.

The district shall submit to the Oregon Department of Education a report that identifies the percentage of students who failed to submit the certification for the previous year, no later than October 1 of each year.

If the district is causing the dental screening to be conducted, the district will follow the notice requirements in accordance with law.
