 - (2) Seeing that the assault is reported and/or filed with the appropriate police agency;
 - (3) Reporting the incident to the superintendent so insurance procedures can be initiated;.
 - c. The incident will be reported to the school attorney and school Board by the superintendent or a designee.

 - b. Criminal trial procedure;
 - c. The availability of civil remedies.
4. Days Missed as a Result of Assault. Days absent from duty, whether for injury, doctor's direction, hospitalization, attorney consultation or court proceeding directly relating to the assault, will not be charged against any leave days, but the absence(s) must be consistent with worker's compensation guidelines.

Limitations:

- b. The doctor must release the employee for return to work;
- c. Upon the doctor's release, the employee must return to work. If the employee chooses to be absent after the doctor's release and if the absence is or is not claimed to be a result of the

assault, the absence(s) will be subtracted from the employee's accumulated sick leave;
d. The district reserves the right to be in consultation with the attending doctor before and/or after the release of the employee.

5. Medical Expenses as a Result of Assault. The district will apply for workers' compensation on behalf of the employee. The employee will also be eligible for the district's medical insurance if the employee is on the roll for these benefits prior to the assault.
6. Salary of the Employee. The district will pay the difference between what workers' compensation pays and the employee's regular daily salary for as long as the employee is absent from work as a direct result of the assault.

Limitations: The district will pay the difference for no longer than one calendar year.

 - c. The employee resigns.
8. Findings of Fault. In the event a court of law finds that the employee was the aggressor in the assault incident, all payments of benefits will cease and the district will have a cause of action against the employee for repayment of benefits.
