

Amity School District 4J

Code: **KK**
Adopted: 6/13/90

Visitors to the Schools

The Board encourages parents and other district citizens to visit the school and classrooms at any time to observe the work of students, teachers and other employees.

To assure that no unauthorized persons enter a school, all visitors will report to the school office when entering and will receive authorization to visit elsewhere in the building.

No individual may loiter in or near a school building or grounds. Loitering means not having any reason or relationship involving custody of, or responsibility for, a student, or upon inquiry, not having a specific, legitimate reason for being in the school building or on the grounds.

No student or other individual shall loiter in or near a school building or ground during the period when school is not normally in session nor shall a person enter in or loiter about the building or grounds during any period in which the building is open for a specific function in which that individual is not involved.

Any unauthorized person on school property will be reported to the principal or superintendent. The person may be asked to leave. Police may be called if the situation warrants such measures.

Students will not be permitted to bring visitors to school without prior approval of the principal.
