

SAFE REENTRY FOR AMITY SCHOOLS' FAMILIES

We are looking forward to the return to full time school with our students and know that above all the emphasis will be creating a safe and welcoming environment for all. We will be following the guidance of the Oregon Department of Education, the Oregon Health Authority, and the Center for Disease Control to minimize the spread of COVID-19.

How will we keep students and staff safe

Inside the Classroom	Inside the School
<ul style="list-style-type: none"> • Limit class size to maintain 3-feet physical distance when practical • Frequently washing hands or using hand sanitizer • Promoting the wearing of face-coverings inside the building • Frequent cleaning of common touch points • Following safety procedures for operation within the school 	<ul style="list-style-type: none"> • Limit visitor access to school buildings • Track student attendance by location throughout the day for contact tracing purpose • Schedule classes strategically to limit student group (cohort) interaction • Routine cleaning of all facilities and HVAC systems • Hand sanitizer stations throughout the building

Things to Consider

Preventing the Spread of COVID-19	Health & Wellness
<ul style="list-style-type: none"> • Stay home when you are ill or have been exposed to someone who has tested positive for COVID-19 • Cover your cough or sneeze • Refrain from touching your face • Wash your hands often 	<ul style="list-style-type: none"> • Call the school to report student absence • If your student has tested positive for COVID-19 or has been exposed, notify the school

Transportation

- Face-coverings are required while riding a bus (federal law)
- Frequent cleaning of all buses
- Sit with household member when possible
- Drivers will visually screen students for symptoms of illness
