If district custodians are to be hired, they will be compensated as stated in the current negotiated contract. If neither a school custodian or other staff member is available, the activity will be denied a Facility Use Request.
3. If district kitchen facilities are used, a district employee (cook) will be on duty at all times at the rate stated in the current negotiated contract. In some cases, custodians may be hired;
4. Decision as to custodian and cook hours will be made by the superintendent;
5. Payment must be submitted and received before a Facility Use Request is approved;
6. The Board may require additional deposits or charges for special requests not covered by the policy;
7. All fees and assessments shall be deposited to the Amity School District Office and shall be used for the facilities' operational costs;
8. The Board or its delegate retains the right to deny anyone further use due to security breach, damage to facilities or other improper action. Problems with users' groups (damages, etc.) will be documented and may preclude future use;
9. If there is a question as to the group's classification, it will be reviewed by the building/grounds committee, and a decision will be rendered;
10. All facility/grounds activities will be scheduled under the guidelines and time frames established by the school/principal with the approval of the superintendent;
11. Groups may be required to show proof of liability insurance coverage before being allowed to use school district facilities as determined by the Board.
