Mission statement

Amity High School is committed to ensuring that all students graduate with the knowledge and skills required to succeed as contributing citizens in the 21st century.

School and community

Amity is a rural school district located in Amity Oregon. The local economy is based on varied agricultural enterprises including vineyards, grain and grass seed farming, and dairies. Amity School District is large enough to offer a wide selection of academic programs and small enough for parents and students to have access to teachers and administrators.

GPA

Amity High School has adopted the ABCDF grading system based on the 4.0 scale. Permanent records carry semester grades only. Rank in class & calculated GPA are determined at the end of the most recent semester completed. The Grade Point Average is determined by adding all grade points earned and dividing by the number of graded credits. The GPA is computed at the end of each semester. The cumulative GPA is determined by the average of all grades earned in high school.

A=4 points, B=3 points, C=2 points, D=1 point, F=0 points.

AHS honors diploma

Amity High School honors diploma is an advanced academic benchmark that students can obtain as they complete rigorous courses with academic excellence throughout their 4 years. Honors Diploma courses include: Advanced English Courses, Anatomy & Physiology, AP Chemistry, AP Literature, AP US History, Chemistry, College Writing, Physics, Pre-Calculus & Calculus and AP Art Studio.

Senior projects

The Senior Project requires students to set large goals, demonstrate independent learning, manage complex and challenging tasks and present substantive work to a panel.
